To: Honorable Joseph E. Kernan, former Governor and Honorable Mitchell E. Daniels, Jr., Governor

It has been customary for the State Board of Accounts to compile an inventory of the assets located at the Governor's Residence whenever there is a change in administration. Therefore, we have compiled an inventory listing by room/location of the Governor's residence at 4750 North Meridian Street, Indianapolis, Indiana, as of January 6, 2005. It was our intention to include all material and historical assets.

Although we do not express an opinion on the inventory, the following listing is a fair presentation of the material and historical state owned personal property on location at the Governor's Residence as of January 6, 2005, to the best of our knowledge and belief.
